2 The Univ. file no 5-42 (15, 19, 21-23) contains some discussions relating to making of permanent arrangements against the post of the Registrar, Mysore University. The Edu Dr says that this correction is not readily traceable. This correction is necessary for noting upon the case.

Under Statute 49 " the Registrar shall ordinarily hold office for a period of three years in the first instance and the same person shall be eligible for re-appointment No limit is however fixed for reappointment." Mr Gordon was first appointed Registrar on a temporary basis for a period of three years and the term having expired on 18th August 1946 it was extended by a further period of 3 years from 19th August 1946

3 The post of Registrar is not included in the cadre of either Professors I class or II class and the post carries the

grade pay of Rs 200-50-800.

4 mr Gordon is a permanent Asst Prof. (Senior grade) drawing a pay of Rs 350/- in the grade of Rs 300-25-350. He is the seventh among the permanent officers in that grade, ~~only two of~~ of these seven officers only the first two viz Dr K.N. Venkatasubba Sastry and Mr M. Subba Jois have been promoted as Acting Second grade Professors.

5 As regards the circumstances that led to the confirmation of Mr V. Gopalaswami Iyengar and Dr Pitchamuthu as Registrar are contained in the discussions in CB files no. 150-35 (1+2) and 21-40 (6+7). This reference is also invited to the ~~the~~ official note dated 10th May 1935 by the Vice-Chancellor. The recommendation of the University Council to confirm mr Gordon as Registrar, is for orders

6 In G.O. no. 983-4/CB 89-46-1 dated 2nd Sep. 1946, mr Gordon was appointed Registrar for a further period of 3 years from 19-8-1946 and the terms of 3 year will expire on 18-8-1949. mr Gordon will attain the age of superannuation on 22-12-1948

7. The Post of the Registrar of the University is not in the Cadre; but the appointment is made on a tenure basis. As such no Pensionable Service can be added of any officer against this post.

8 The University file No S-42 (15-1941-21 is said to contain discussions, according to which no permanent arrangements can be made against this post. This collection which has been taken by the Edn Branch is not made available by the Sec Branch In the absence of the said file, it is

not possible to refer to those discussions in detail.

9. In this connection, it may not be out of place to refer to the appointment of the Chief Secy which is treated as a tenure one. (Vide CB file 69-46-1) Even in this case, no permanent arrangements have been made as is evident from the fact that the present Chief Secy is shown as a permanent Head of a dept against the post of the Inspector General of Police.

10. On the above analogy, ~~the~~ Mr Gordon cannot be confirmed as Registrar, since this post is ~~one of~~ ~~tenure~~ ~~basis~~ a tenure one against which no permanent arrangements are admissible, particularly when such confirmation will always amount to the supersession of several of Mr Gordon's seniors in the University.

(1) Confirmation of mr Gordon as Registrar Mysore University

(2) Date from which confirmation is to take effect.

(3) Term of his appointment as Registrar

23. The confe. Reports of the offices submitted above are also putup as in 124 Statute No. 49 under the Mysore University Act regulates the term of appointment of the Registrar of the Univers It reads as follows:- "The Registrar shall ordinarily hold office for a period of three years in the first instance, but the same person shall be eligible for re-appointment." In connection with the Confirmation of the then Registrar Mr V. Gopalaswamiengar in the year 1936 in his appointment as Registrar it was held by the then Vice Chancellor and Govt that the statute would not have the effect of prohibiting the confirmation of an officer in the post of Registrar. Vide flags I & N. paras 27 & 39 of file No. 150/35-Cl. & 42. Mr Gordon's appointment as Registrar on the first instance was treated as a tenure appointment (vide G.O. No. 8208 Edn 5-42-23 Dated 13.11.43-flag 8). The G.O. dated 2.9.46 Continuing him as Registrar for a further

5/7/47

Serial No.

further period of 3 years from 19.8.46, though it does not definitely say that Mr. Gordon will hold the appointment as a tenure one, must be construed to mean so in the light of his appointment & the post having been treated as at the outset. This does not, however, mean that the appointment or the post of Registrar itself is a temporary or tenure appointment which does not admit of its incumbent being confirmed in it. The G.O. dated 26.11.46 revising the grade pay of Registrar from 400-25-700 & Rs 600-50-800 does not show that the post is a tenure one. From a perusal of the Civil List (part I) corrected upto 1st January '47 it may be seen that while the posts of Principals and Superintendents of Intermediate Colleges are included in the cadre of I class professors and Junior Grade Professors respectively the post of Registrar is not so included in the cadre of professors and stands as an independent appointment by itself. For this reason it does not appear to be irregular, if Govt deem fit, to confirm an officer in the post of Registrar.

25. Mr. Gordon's work as Registrar has been very well commented upon by the present Vice Chancellor, though the previous V.C. Mr. Sivaramakrishnan adversely commented upon his work as Registrar stating inter alia in the Confidential Report that Mr. Gordon did not impress him as a Good

Govt Registrar, Though he was known to be a good teacher. The fact that he has been continued for another term of 3 years and the pay of the post is revised shows, however, that the University Council and the present V.C. have been appreciating his work. The one circumstance that is against Mr. Gordon's [illegible] Confirmation in the post of Registrar is that he is getting a permanent pay of Rs. 350 only and his substantive appointment is of an Asst. Professor. There four are 3 of his senior in his permanent grade who have not yet been promoted as Professors while two more of his seniors are only acting Professors in grade 400-25-700. Further if he is confirmed as Registrar his substantive pay will become more than what ten of his seniors who are already permanent in the higher grade of 11 Asst Professors are getting. With a view to see that these senior Officers do not have a legitimate cause for grievance and heart burning, it would be necessary to clearly lay down that, in the event of Mr. Gordon's Confirmation as Registrar, that in case Mr. Gordon prefers at any time in the future to revert to the teaching line he will take his present rank among Asst. Professors below Mr. A. Krishna Rao and that the seniority of Officers now above him will not be affected.

26 The University has recommended that the confirmation of Mr. Gordon may be made

Serial No.

with effect from 19.8.46 which is the date from which the post of the Asst was revived and the date from which Mr. Gordon's second term of office as Registrar for 3 years commenced. But it is to be pointed out that though his term has been extended for 3 years from 19.8.46 he will not be able to serve the entire period as he reaches 55 years, the age of superannuation, on 22.12.48. In case it is decided to confirm him whether the date from which confirmation should take effect is to be the date of the order or 19.8.46 or 22.12.45 (which will enable him to count 3 permanent years of service as Registrar for purposes of pension), is for consideration.

27 Unless an extension of service is granted by Govt. Mr. Gordon will have to retire on 22.12.48 and he cannot ~~serve~~ serve the II term of his office as Registrar for three years which will expire only on 19.8.49. Though there is still time to take up the question of his retirement or otherwise from service, as he has 1 year and five months of service before him for superannuation, it seems desirable to consult the University and have the point cleared as to why his confirmation from 19.8.46 and not from the date of the order has been proposed. Similarly it would also be desirable to consult the University as to whether the proposed confirmation will not adversely affect his seniors and whether appointments

to the post of Registrar are not made on a leisure basis with a view not to restrict the freedom of the University to pick out men suitable for the job and retain them for just the period they wish to have them.

Proposal to confirm Mr. D. S. Gordon, as Registrar, University of Mysore.

In August 1943, Mr. D. S. Gordon, Asst. Professor of Education, Maharaja's College, Mysore, was appointed Registrar, University of Mysore, on Rs.400/- p.m. in grade Rs.400-25-700 on tenure basis for a period of three years. The period of his appointment expired on 18th August 1946 and his continuance as Registrar for another three years in the existing grade was sanctioned. Subsequently in November 1946, the pay of the post of the Registrar was revised to Rs.600-50-800 and Mr. Gordon was placed in that grade.

The University Council at its meeting held on 22nd Feby. 1947 has resolved "that Mr. D. S. Gordon be recommended to Government for confirmation". The University has also brought to notice the fact that such confirmations have been sanctioned in the past in the post of the Registrar.

The Financial Secretary has in this connection noted as follows:-

"There appears to be no bar to confirming one officer in the post of the Registrar, when previously another was so confirmed. If Govt. wish to confirm him, it may be done on the pay he is now drawing in the post, with a direction that were he to revert to the tutorial line, he would be eligible only to the rank and pay he would get in that grade and not to the pay that he has been or might be drawing as Registrar or to the rank that such a pay may give. This would protect the seniority of his seniors in the tutorial line and would avoid any sense of heart burning.

"The confirmation can only be from the date it is ordered and its natural period is either three years or the date on which the officer attains the age of superannuation whichever is earlier. If the order of confirmation itself puts the period at three years, that would be tantamount to giving him an extension now alone, when such a question has been neither raised nor considered. Proposal to confirm Mr. D. S. Gordon, as Registrar, University of Mysore.

In August 1943, Mr. D. S. Gordon, Asst. Professor of Education, Maharaja's College, Mysore, was appointed Registrar, University of Mysore, on Rs.400/- p.m. in grade Rs.400-25-700 on tenure basis for a period of ~~xixxxpxxixixxxx~~ three years. The period of his appointment expired on 18th August 1946 and his continuance as Registrar for another three years in the existing grade was sanctioned. Subsequently in November 1946, the pay of the post of the Registrar was revised to Rs.600-50-800 and Mr. Gordon was placed in that grade.

The University Council at its meeting held on 22nd Febr. 1947 has resolved "that Mr. D. S. Gordon be recommended to Government for confirmation". The University has also brought to notice the fact that such confirmations have been sanctioned in the past in the post of the Registrar.

The Financial Secretary has in this connection noted as follows:-

"There appears to be no bar to confirming one officer in the post of the Registrar, when previously another was so confirmed. If Govt. wish to confirm him, it may be done on the pay he is now drawing in the post, with a direction that were he to revert to the tutorial line, he would be eligible only to the rank and pay he would get in that grade and not to the pay that he has been or might be drawing as Registrar or to the rank that such a pay may give. This would protect the seniority of his seniors in the tutorial line and could avoid any sense of heart burning.

"The confirmation can only be from the date it is ordered and its natural period is either three years or the date on which the officer attains the age of superannuation whichever is earlier. If the order of confirmation itself puts the period at three years, that would be tantamount to giving him an extension now alone, when such a question has been neither raised nor considered. The order therefore need mention no period".

The Dewan has minuted as follows in this connection:-

"Mr. Gordon may be confirmed as Registrar. There is no question of any tenure period being fixe When the time comes the case for granting an extension will be considered. Circulate."
